

PART ONE: FEEL & FUNCTION

Jot down a few words that describe how you'll be using your space, and how you want to feel when you're there.

PART TWO: STYLE LANDSCAPE

After creating your mood board, take some time to reflect and look for patterns and capture those here.

PART THREE: DOMINANT STYLE

Take our style quiz to uncover your dominant style and take a few notes of key elements of the style to utilize in your home.

CHOOSE A COLOR PALETTE

Thinking of the dominant style you chose, and the feel & function of your space, choose a maximum of 2 key colors and a few (2-4) complimentary accent colors and capture them here.

CHOOSE MATERIALS

Think of the materials most prominent in the spaces you liked and what you would like to highlight in your space and document with words or images.

ADD PERSONALITY

Whether for its beauty or sentiment, bring in items that mean something to you. Capture a few ideas or images here!
